

CV Kurt Trenson

Born on the 8th of January 1969, Eeklo. Living in Sint-Andries (Brugge).

Married to Isabelle and we have 3 children (Lisa, Floor & Xander).

Holds:

- Master in Applied Economics (Ghent University) (1987-1991)
- International Management Program (Vlerick Management School) (2010-2011)

29 years @ KBC Bank in several roles ao:

- 6 years in Retail banking (Manager of 2 branches)
- 10 years Relationship manager corporate branch
- 10 years Senior Banker corporate banking responsible for a portfolio of dynamic international clients (Jan De Nul, Tessenderlo, Picanol, Deceuninck, The House of HR, Vandemoortele, Ardo, Alychlo, Sioen Industries, ...). All of them with decision center in Belgium so that every strategic move was decided locally and made that we were involved in a very early stage.

Within KBC able to learn a lot and become very experienced in looking for solutions and alternatives for structuring and executing financing for very different types of companies (SME to large corporates; listed and non-listed; family owned and not) for very different needs (acquisitions, (de)listings, capex, working capital, ...) in different stages of maturity. Always solutions which are balancing between shareholders, company and markets.

Since April 2022 CFO of investment company Alychlo which has investments spread over > 40 participations (listed & non-listed).
